

ORIGIN POOLS PRICE GUIDE

Origin Pools Price Guide 2026

At Origin, every pool is a sanctuary, crafted with award-winning precision and care. We offer three ways to create your pool: Bespoke Indoor Pools, the Signature Indoor Range, and Outdoor Pools.

Why Choose Origin Pools

- Over 40 years of expertise in luxury indoor pools.
- Award-winning craftsmanship with more than 70 industry accolades.
- One team, one vision, we handle design, planning, build, and maintenance.
- 10-year structural warranty for peace of mind.
- SPATA & Federation of Master Builders accredited, meeting the highest British and European standards.
- Effortless experience, from ideas to aftercare, we manage every detail.

Bespoke Indoor Pools

The ultimate in luxury pools, designed entirely around you. No two are ever the same. Bespoke pools are created to your vision, with a large range of options across architecture, wellness areas, glazing, landscaping, and finishes.

A bespoke Origin Pool is more than a statement, it's a story, told in architecture, light, and water, shaped entirely around you and your needs.

Bespoke pools are available from £575,000 inc VAT

Please note prices vary depending on site conditions, utilities, and final specification.

Contemporary

For bold, minimalist elegance, a statement of modern luxury.

Traditional

For timeless charm and warmth, that feels both elegant and enduring.

Home Extension

Thoughtful design and timeless beauty, blended into your home.

Three Signature designs

Luxury, refined. Pre-designed, fixed options with transparent pricing.

We created these pools for people who want the elegance of an Origin pool, without having to start from scratch. Our Signature range is designed to be beautiful, efficient, and expertly delivered within a timescale.

VIDA 50

Your private retreat ideal for health and fitness, 8m 50m²

£460,000 inc VAT

SOLIS 65

Designed for performance & connection to your outside space, 9m 65m²

£504,000 inc VAT

ELAN 80

Ideal as a private health and wellness sanctuary or entertaining space, 10m 80m²

£516,000 inc VAT

Outdoor Pools

Elegant, functional, and designed to fit seamlessly within your landscape.

Outdoor pools start from £120,000 inc VAT depending on size, site, and finishes. Every outdoor pool is engineered with the same Origin standards of safety, durability, and precision as our indoor builds.

Options available for heating, covers, lighting, and surrounding landscaping.

Price guide for our outdoor pools from £120,000 inc VAT

What you receive from Origin:

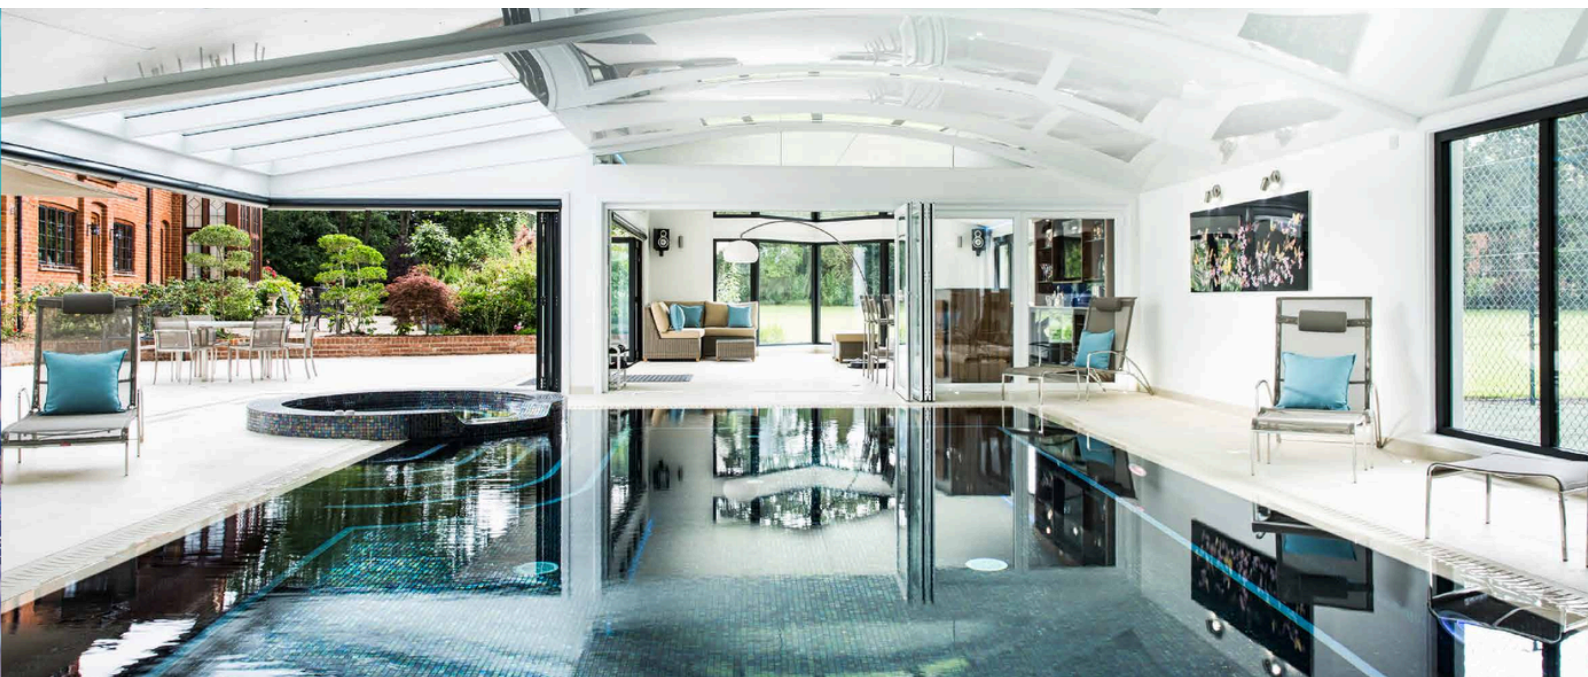

- Full project planning and design
- Integrated extras - hot tub and sun deck
- Structural and equipment warranties
- Designed for UK weather and lifestyle

Price guide - Our outdoor pools are tailored to client specifications. We limit the number each year, so please contact us to discuss your pool

Additional Features

- **Moving Floor Technology:** Transform your pool into a multi-purpose space at the touch of a button.
 1. The floor rises to cover the pool completely, giving you back usable space for entertaining, fitness, or leisure.
 2. Adjust the depth for children's play, aqua therapy, or full lap swimming.
 3. Precision engineering ensures seamless operation, safety, and style, turning your pool room into the ultimate flexible luxury space.
- **Wellness:** saunas, steam rooms, Jacuzzis, spa zones
- **Energy efficiency:** solar PV packages, air source heat pumps, intelligent controls
- **Design enhancements:** premium glazing, bespoke lighting, feature wall finishes
- **Entertainment:** integrated sound systems, poolside lounges, bar or gym areas
- **Convenience:** automatic pool covers, smart climate and lighting controls, holiday-ready servicing

Every feature is installed and managed by our in-house experts, ensuring seamless integration and effortless ownership.
